LIGHT POLE

Light poles are the newest productions of Samen Ferforge which stands out with the astonishing features. This light is designed and formed by the use of three pieces. This product is best used in open areas of public parks or the gardens, yards or even the front entrances.

The light is made out of one main stick which holds a very exclusive design all over its surface. Along with the T looking top part for holding two light bulbs, it is ranked as one of our top lux products.

This new product would light up your place into a very loving and peaceful environment.
